62 MILLION PEOPLE IN EUROPE SUFFER FROM COPD

(chronic obstructive pulmonary disease)
Yet very few people know about the disease or pay attention.

Let's put a face to the disease and offer support by signing the Lung charter and taking a free breathing test (spirometry)

Programme includes:

- Light breakfast
- Breathing tests
- Signature of the Lung Charter
- Access to the exhibition

Welcome words from MEP Catherine Stihler, Jean-Paul Denanot, Nathalie Griesbeck and Prof. Dr. Ildiko Orvath (European Respiratory Society)
